PREFACE

This report presents the results of the First Basic Complete Tabulation of the 1980 Population Census of Japan for the whole of Japan and for prefectures, concerning sex, age, marital status, nationality, time of last move, place of previous residence, education, labour force status, employment status, industry, type of household, source of household income, economic type, family type of household and housing.

Besides this report, "Preliminary Counts of the Population on the Basis of Summary Sheets", "Prompt Report of the Basic Findings (Results for one-percent tabulation)" and "Volume 2: Results of the First Basic Complete Tabulation, Part 2 Prefecture and Municipalities" have already been published.

Other reports to be published are as follows:

Volume 1: Total Population

Volume 3: Results of the Second Basic Complete Tabulation

Volume 4: Results of Detailed Tabulation (Twenty-percent sample tabulation)

Volume 5: Commutation

Volume 6: Results of Tabulation on Internal Migration

Volume 7: Results of Special Tabulation

Special Volume: Densely Inhabited Districts of Japan

Final Count of the Population and Households

Final Report: Population of Japan

Furthermore, the Abridged Report Series containing summary tables and description of findings on the census results not only for the whole of Japan but also for each prefecture as well as the Reference Report Series, and the Population Maps of Japan are also being published.

On this occasion, I wish to express my deep appreciation to those who devotedly worked for the Census in planning, execution, tabulation and publications.
