

# 1975 POPULATION CENSUS OF JAPAN

## VOLUME 1. TOTAL POPULATION

### CONTENTS

#### Outline of the 1975 Population Census of Japan

|                                                                 |       |
|-----------------------------------------------------------------|-------|
| Introduction .....                                              | XIV   |
| Date of census .....                                            | XIV   |
| Legal basis of census .....                                     | XIV   |
| Areal coverage of enumeration .....                             | XV    |
| Population enumerated in the census .....                       | XV    |
| Enumeration items .....                                         | XVIII |
| Census organization .....                                       | XIX   |
| Method of survey .....                                          | XIX   |
| 1. Enumeration districts .....                                  | XIX   |
| 2. Pilot surveys .....                                          | XX    |
| 3. Enumeration procedure .....                                  | XX    |
| 4. Enumeration documents .....                                  | XXI   |
| Tabulation and publication of census results .....              | XXI   |
| 1. Preliminary count of population .....                        | XXII  |
| 2. Population count based on lists of households .....          | XXII  |
| 3. Final count of population and households .....               | XXII  |
| 4. Prompt tabulation (one-percent sample tabulation) .....      | XXII  |
| 5. Prompt tabulation (twenty-percent sample tabulation) .....   | XXII  |
| 6. Complete count tabulation .....                              | XXII  |
| 7. Tabulation on commuting population .....                     | XXII  |
| 8. Detailed tabulation (twenty-percent sample tabulation) ..... | XXIII |
| 9. Other publications scheduled .....                           | XXIII |
| 10. Densely inhabited districts and census tracts .....         | XXIII |
| Land area .....                                                 | XXIII |
| Post enumeration survey .....                                   | XXIV  |

#### Maps and Diagrams .....

#### Statistical Tables

|                                                                                                                                           |    |
|-------------------------------------------------------------------------------------------------------------------------------------------|----|
| Table 1. Population, Population Increase, Area and Population Density of Japan: 1920 to 1975 .....                                        | 2  |
| Table 2. Population of All <i>Shi</i> and All <i>Gun</i> : 1920 to 1975 .....                                                             | 3  |
| Table 3. Area and Population Density of All <i>Shi</i> and All <i>Gun</i> : 1920 to 1975 .....                                            | 4  |
