PREFACE

In this report are presented the results of the complete count tabulation of the 1975 Population Census for the whole Japan and for prefectures, concerning age, sex, marital status, legal nationality, labour force status, industry, households and housing.

As the regular reports on the 1975 Population Census, Volume 3 "Prefecture and Municipalities" (47 separate parts) containing the results of the complete count tabulation for each prefecture and each municipality have already been published. Furthermore, Volume 1 "Total Population" and Volume 4 "Commutation" (Part 1. Complete Count Tabulation) is scheduled to be published in September and in December, respectively 1977, and Volume 5 "Results of Detailed Tabulation" (Twenty-percent Sample Tabulation) will be published successively.

Also, the Abridged Report Series, containing summary tables and description of findings on the census results not only for the whole Japan but also for each prefecture as well as the Reference Report Series, the Enumeration Districts Series and the Population Maps of Japan are being published.

Taking this opportunity I wish to express my sincere gratitude to those persons who have rendered cooperation and assistance for the Census.

August, 1977
