PREFACE

The present report represents the results of the complete counting concerned with sex, age, marital status, citizenship, birthplace, education, household, and housing for all Japan, surveyed in the Census of Population taken on October 1, 1950.

Among the results of the complete counting for all Japan, the rest which deal with labor force status, occupation, industry and class of worker constitutes Volume V, all Japan 2, to be published subsequently.

Up to this time, Volume I, Total Population, Volume II, Results of One Percent Sample Tabulation, Volume III, Results of Ten Percent Sample Tabulation, Volume VI, *De Jure* Population and *De Facto* Population, and Volume VII, Report by Prefecture, have been published.

A synthetic explanation and analysis of the figures for ten percent as well as the complete counts will be given in Volume VIII, as the final report.
