

## List of Tables

### A. Frequency Tables (nsm8\_1\_tanjun\_e.xlsx)

### B. Cross-tabulated tables

#### 1. Household head (nsm8\_2\_1\_setai\_e.xlsx)

Table 1	Region of current residence (by sex, age and nationality)
Table 2	Number of household members (by prefecture of current residence)
Table 3	Number of children (by prefecture of current residence, prefecture of birthplace and prefecture of residence at completion of junior high school)
Table 4	Number of children (for those married) (by prefecture of current residence, prefecture of birthplace, prefecture of residence at completion of junior high school)

#### 2. Household head and the spouse (nsm8\_2\_2\_setai\_haigu\_e.xlsx)

Table 5	Experience of leaving parental home (by sex, age and nationality)
Table 6-1	Experience of leaving parental home (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 6-2	Health condition, number of surviving siblings and other characteristics* (by experience of leaving parental home)
Table 7	Reason of leaving parental home (by sex, age and nationality)
Table 8-1	Reason of leaving parental home (for those who have left parental home) (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 8-2	Health condition, number of surviving siblings and other characteristics* (for those who have left parental home) (by reason of leaving parental home)
Table 9	Age at leaving parental home (for those who have left parental home) (by sex, age and nationality)
Table 10-1	Age at leaving parental home (for those who have left parental home) (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 10-2	Health condition, number of surviving siblings and other characteristics* (for those who have left parental home) (by age at leaving parental home)
Table 11	Place of residence immediately after leaving parental home (by sex, age and nationality)
Table 12-1	Place of residence immediately after leaving parental home (for those who have left parental home) (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 12-2	Health condition, number of surviving siblings and other characteristics* (for those who have left parental home) (by place of residence immediately after leaving parental home)
Table 13	Place of residence immediately after leaving parental home (for those who have left parental home) (by sex, age and nationality)
Table 14-1	Place of residence immediately after leaving parental home (for those who have left parental home) (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 14-2	Health condition, number of surviving siblings and other characteristics* (for those who have left parental home) (by place of residence immediately after leaving parental home)
Table 15	Place of residence immediately after first child's entrance to primary school (by sex, age and nationality)
Table 16-1	Place of residence immediately after first child's entrance to primary school (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 16-2	Health condition, number of surviving siblings and other characteristics* (by place of residence immediately after first child's entrance to primary school)
Table 17	Prefecture of residence immediately after first child's entrance to primary school (by sex, age and nationality)
Table 18-1	Prefecture of residence immediately after first child's entrance to primary school (by prefecture of current residence, birthplace and prefecture of birthplace)

Table 18-2	Health condition, number of surviving siblings and other characteristics* (by prefecture of residence immediately after first child's entrance to primary school)
Table 19	Age at first child's entrance to primary school (by sex, age and nationality)
Table 20-1	Age at first child's entrance to primary school (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 20-2	Health condition, number of surviving siblings and other characteristics* (by age at first child's entrance to primary school)
Table 21	Place of residence of non-coresiding father (by age of household head)
Table 22-1	Place of residence of non-coresiding father (by prefecture of current residence of household head, birthplace of household head and prefecture of birthplace of household head)
Table 22-2	Health condition of household head, number of surviving siblings of household head and other characteristics of household head* (by place of residence of non-coresiding father)
Table 23	Prefecture of residence of non-coresiding father (by age of household head)
Table 24-1	Prefecture of residence of non-coresiding father (by prefecture of current residence of household head, birthplace of household head and prefecture of birthplace of household head)
Table 24-2	Health condition of household head, number of surviving siblings of household head and other characteristics of household head* (by prefecture of residence of non-coresiding father)
Table 25	Place of residence of non-coresiding mother (by age of household head)
Table 26-1	Place of residence of non-coresiding mother (by prefecture of current residence of household head, birthplace of household head and prefecture of birthplace of household head)
Table 26-2	Health condition of household head, number of surviving siblings of household head and other characteristics of household head* (by place of residence of non-coresiding mother)
Table 27	Prefecture of residence of non-coresiding mother (by age of household head)
Table 28-1	Prefecture of residence of non-coresiding mother (by prefecture of current residence of household head, birthplace of household head and prefecture of birthplace of household head)
Table 28-2	Health condition of household head, number of surviving siblings of household head and other characteristics of household head* (by prefecture of residence of non-coresiding mother)
Table 29	Place of residence of non-coresiding father (by age of spouse)
Table 30-1	Place of residence of non-coresiding father (by prefecture of current residence of spouse, birthplace of spouse and prefecture of birthplace of spouse)
Table 30-2	Health condition of household head, number of surviving siblings of household head and other characteristics of household head* (by place of residence of non-coresiding father)
Table 31	Prefecture of residence of non-coresiding father (by age of spouse)
Table 32-1	Prefecture of residence of non-coresiding father (by prefecture of current residence of spouse, birthplace of spouse and prefecture of birthplace of spouse)
Table 32-2	Health condition of spouse, number of surviving siblings of spouse and other characteristics of spouse* (by prefecture of residence of non-coresiding father)
Table 33	Place of residence of non-coresiding mother (by age of spouse)
Table 34-1	Place of residence of non-coresiding mother (by prefecture of current residence of spouse, birthplace of spouse and prefecture of birthplace of spouse)
Table 34-2	Health condition of household head, number of surviving siblings of household head and other characteristics of household head* (by place of residence of non-coresiding mother)
Table 35	Prefecture of residence of non-coresiding mother (by age of spouse)
Table 36-1	Prefecture of residence of non-coresiding mother (by prefecture of current residence of spouse, birthplace of spouse and prefecture of birthplace of spouse)
Table 36-2	Health condition of spouse, number of surviving siblings of spouse and other characteristics of spouse* (by prefecture of residence of non-coresiding mother)

### 3. All household members

(nsm8\_2\_3\_setain\_1\_e.xlsx)

Table 37	Prefecture of current residence (by sex, age and nationality)
Table 38	Relation to household head (by sex, age and nationality)
Table 39	Health condition (by sex, age and nationality)
Table 40	Number of surviving siblings (by sex, age and nationality)

Table 41	Number of surviving elder brothers (by sex, age and nationality)
Table 42	Number of surviving elder sisters (by sex, age and nationality)
Table 43	Number of surviving younger brothers (by sex, age and nationality)
Table 44	Number of surviving younger sisters (by sex, age and nationality)
Table 45	Marital status (by sex, age and nationality)
Table 46	Educational status and type of school (by sex, age and nationality)
Table 47	Type of current school (for those currently enrolled) (by sex, age and nationality)
Table 48	Type of last school (for those who have completed) (by sex, age and nationality)
Table 49	Employment status immediately after completion of last school (by sex, age and nationality)
Table 50	Type of job immediately after completion of last school (by sex, age and nationality)
Table 51	Current employment status (by sex, age and nationality)
Table 52	Type of current job (by sex, age and nationality)
Table 53-1	Migration status (by sex, age and nationality)
Table 53-2	Year of migration to current residence (by sex, age and nationality)
Table 54-1	Migration status and year of migration to current residence (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 54-2	Health condition, number of surviving siblings and other characteristics* (by migration status and year of migration to current residence)
Table 55	Place of previous residence (for those who migrated to the current residence) (by sex, age and nationality)
Table 56	Place of previous residence (for those who migrated over the last 5 years) (by sex, age and nationality)
Table 57-1	Place of previous residence (for those who migrated over the last 5 years) (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 57-2	Health condition, number of surviving siblings and other characteristics* (for those who migrated over the last 5 years) (by place of previous residence)
Table 58	Prefecture of previous residence (for those who migrated to the current residence) (by sex, age and nationality)
Table 59	Prefecture of previous residence (for those who migrated over the last 5 years) (by sex, age and nationality)
Table 60-1	Prefecture of previous residence (for those who migrated over the last 5 years) (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 60-2	Health condition, number of surviving siblings and other characteristics* (for those who migrated over the last 5 years) (by prefecture of previous residence)
Table 61	Reasons for migration to current residence (by sex, age and nationality)
Table 62	Reasons for migration to current residence (for those who migrated over the last 5 years) (by sex, age and nationality)
Table 63-1	Reasons for migration to current residence (for those who migrated over the last 5 years) (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 63-2	Health condition, number of surviving siblings and other characteristics*(for those who migrated over the last 5 years) (by reasons for migration to current residence)
Table 64	Reasons for migration (7 categories) to current residence (by sex, age and nationality)
Table 65	Birthplace (by sex, age and nationality)
Table 66-1	Birthplace (by prefecture of current residence and prefecture of birthplace)
Table 66-2	Health condition, number of surviving siblings and other characteristics* (by birthplace)
Table 67	Prefecture of birthplace (by sex, age and nationality)
Table 68-1	Prefecture of birthplace (by prefecture of current residence)
Table 68-2	Health condition, number of surviving siblings and other characteristics* (by prefecture of birthplace)
Table 69	Place of residence at completion of junior high school (by sex, age and nationality)
Table 70-1	Place of residence at completion of junior high school (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 70-2	Health condition, number of surviving siblings and other characteristics* (by place of residence at completion of junior high school)

Table 71	Prefecture of residence at completion of junior high school (by sex, age and nationality)
Table 72-1	Prefecture of residence at completion of junior high school (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 72-2	Health condition, number of surviving siblings and other characteristics* (by prefecture of residence at completion of junior high school)

(nsm8\_2\_3\_setain\_2\_e.xlsx)

Table 73	Place of residence at completion of last school (by sex, age and nationality)
Table 74-1	Place of residence at completion of last school (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 74-2	Health condition, number of surviving siblings and other characteristics* (by place of residence at completion of last school)
Table 75	Age at completion of last school (by sex, age and nationality)
Table 76-1	Age at completion of last school (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 76-2	Health condition, number of surviving siblings and other characteristics* (by age at completion of last school)
Table 77	Place of residence at first job (by sex, age and nationality)
Table 78-1	Place of residence at first job (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 78-2	Health condition, number of surviving siblings and other characteristics* (by place of residence at first job)
Table 79	Age at first job (by sex, age and nationality)
Table 80-1	Age at first job (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 80-2	Health condition, number of surviving siblings and other characteristics* (by age at first job)
Table 81	Place of residence immediately before first marriage (by sex, age and nationality)
Table 82-1	Place of residence immediately before first marriage (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 82-2	Health condition, number of surviving siblings and other characteristics* (by place of residence immediately before first marriage)
Table 83	Age at first marriage (by sex, age and nationality)
Table 84-1	Age at first marriage (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 84-2	Health condition, number of surviving siblings and other characteristics* (by age at first marriage)
Table 85	Place of residence immediately after first marriage (by sex, age and nationality)
Table 86-1	Place of residence immediately after first marriage (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 86-2	Health condition, number of surviving siblings and other characteristics* (by place of residence immediately after first marriage)
Table 87	Place of residence 5 years earlier (by sex, age and nationality)
Table 88-1	Place of residence 5 years earlier (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 88-2	Health condition, number of surviving siblings and other characteristics* (by place of residence 5 years earlier)
Table 89	Place of residence 1 year earlier (by sex, age and nationality)
Table 90-1	Place of residence 1 year earlier (by prefecture of current residence, birthplace and prefecture of birthplace)
Table 90-2	Health condition, number of surviving siblings and other characteristics* (by place of residence 1 year earlier)
Table 91	Number of prefectures ever lived (including foreign countries) (by sex, age and nationality)
Table 92	Number of prefectures ever lived (excluding foreign countries) (by sex, age and nationality)
