P R E F A C E

In this report are presented the results of the complete count concerned with sex, age, marital status, nationality, household and housing for all Japan, which were covered in the Population Census taken as of October 1, 1955. Of other results of the tabulation for all Japan, those related to labor force status, industry, occupation and class of worker will constitute Volume III, Part 2, to be published subsequently.

The 1955 Population Census has three volumes of report already published: Volume I, Total Population; Volume II, One Percent Sample Tabulation, and Volume V; Report by Prefecture.

Volume IV will be published to present the results on the place of work. The explanation and analysis of the figures for the one percent sample as well as the complete count will be given in Volume VI as the final report.
