POPULATION CENSUS QUESTIONNAIRE

1 October 1965

Bureau of Statistics
Office of the Prime Minister

Request for the Population Census

The Population Census is to be taken throughout the country as of 1 October, 1965.

The Population Census is one of the most important statistical surveys, and has been conducted every five years since 1920 in order to obtain basic data on the national population for governmental policy and administration.

You are kindly requested to report on all of your household members.

The census enumerator will call on you to collect this questionnaire. Please, fill out, by that time, the part designated as "TO BE FILLED OUT BY HEAD OF HOUSEHOLD" on the reverse side.

The information furnished is accorded confidential treatment. Your census report cannot be used for purposes other than strictly statistical. You are thereby requested to report accurately.

Please Read The Following Notes Before Filling Out

All Members Who Usually Live in your household should be included in this questionnaire.

The term "usually live" means that these persons have lived or are going to live in your household for three months or more.

Special attention should be paid to the following cases.

- Persons who have been away from their household due to travelling or working elsewhere shall be reported at their homes if they have been away for less than three months.
- Students and pupils living in school dormitories shall be reported at the dormitories, not at their homes.
- Hospitalized patients shall be reported at the hospitals if they have been there for more than three months. If not, they shall be reported at their homes.
- Crews of ships shall be reported at their homes.
- All residents of camps and of shops belonging to the National Defence Forces shall be reported at the camps or on the ships, not at their homes.
- Persons in prisons or detention houses whose penalties have been fixed, and persons in reformatories or women's guidance homes shall be reported at the institutions.
- Persons having no place where they have lived or are going to live for more than three months shall be reported at the places where they stay at the time of the census.

This questionnaire should be filled out separately for each household. Special attention should be paid to the following cases.

Lodgers:

- Lodgers such as roomers and boarders shall be reported individually as a separate household.
- Lodgers living with their relatives shall be reported with their relatives as one household.

Live-in Employees (those living with employers):

- All live-in domestic employees shall be reported together with the families of their employers.
- Live-in employees for business shall be reported together with the families of their employers in case of five employees or less, and together in one group as a separate household in case of six employees or more.

Persons living in dormitories:

- Persons living in school dormitories, dormitories for unmarried employees, etc. shall be reported together in one group as one household.

See Example on separate sheet.

About October, the census enumerator will call on you to collect this questionnaire. Please fill this out by that time.
