2020 Census of Agriculture and Forestry
Questionnaire for

Agriculture and Forestry Management Entities

(As of February 1st, 2020)

政府統計

This is a statistical survey in accordance with the Statistical Act. All possible measures are taken to protect the confidentiality of the questionnaire information.

	Prefecture	Municipality	Former municipality	Rural community	Survey district	Object number
Basic index number	8 8	8 8 8	8 8	8 8 8	8 8 8	8 8 8
In case of correction →	8 8	8 8 8	8 8	8 8 8	8 8 8	8 8 8

- Please take a look at "How to fill out the form" before proceeding.
- Please fill out the forms truthfully as this questionnaire is **not to be used for purposes other than the production of statistics**, and **the law stipulates not to disclose and use** the individual results obtained from this form for the purposes of taxation etc. and to observe confidentiality.
- Use a **black pencil** or a **mechanical pencil** to fill out the form and use an eraser to thoroughly erase incorrect entries.

* Enter one number in each frame **justified to the right** without a protrusion from the frame.

* Please black out the circle in the mark sheet column

Example

8	8	8	9	8	7	6	5	4	0
---	---	---	---	---	---	---	---	---	---

- **Questionnaire can be filled out and submitted online.**

Survey items to be filled out

- In this questionnaire, fill out ☐ Agricultural management (the items of the ☐ color in the ☐ frame, and the items in the ☐ color).
- In this questionnaire, fill out ☐ Forestry management (the items of the ☐ color in the ☐ frame, and the items of the ☐ color in the ☐ frame).

If you are engaged in forestry management and when filling out the items in the ☐ frame, "Agriculture (agricultural product, agricultural labor)" in the questions should be replaced with "Forestry (forest product, forestry labor)".

[1] Overview of management entities (all items to be filled out by all persons)

1. Type of management

Is the management incorporated into a corporation etc.?

Make sure to select one item from the following.

		101	
Not incorporated		0	
Incorporated	Company	Agricultural producers' cooperative corporation	0
		Incorporated company	0
		General/limited partnership	0
		Limited liability company	0
		Mutual company	0
	Various organizations	Agricultural cooperative	0
		Forestry cooperative	0
		Other organizations	0
	Other corporations		0
Local government/property ward		0	

☐ Individual management entity: Go to 1. Labor force inside the individual management on page 2

☐ Group management entity: Go to 2. Labor force inside the group management on page 4

To be filled out by corporations only

Enter the corporate number (13 digits).

102

8	8	8	8	8	8	8	8	8	8	8	8	8
---	---	---	---	---	---	---	---	---	---	---	---	---

The corporate number will be used to improve the accuracy and efficiency of the survey.

Please be careful not to enter "My Number" (12 digits) of the individual by mistake.

Go to 2.
Labor force inside the group management on page 4

Special limited liability company falls under incorporated company category.

[2] Labor force inside the **agricultural** management

Pages 2 and 3 are to be filled out only by individual management entities.

Corporated management entities are to fill out page 4.

1. Labor force inside the individual management

When filling out items for forestry management, "**agriculture**" in the questions should be replaced with "**forestry**".

(1) Enter the number of household members

		Male (persons)	Female (persons)
Number of household members	202	8 8	203 8 8
Number of household members aged 14 years or younger (born on or after February 1st, 2005)	205	8 8	206 8 8

Classification of relationship

- | | |
|---|------------------------------|
| 01: Head of household | 07: Sibling |
| 02: Spouse of the household | 08: Grandparent |
| 03: Child | 09: Grandchild |
| 04: Spouse of the child | 10: Spouse of the grandchild |
| 05: Parent of the household | 11: Others |
| 06: Parent of the spouse of the household | |

(2) Enter household members aged 15 or older (born on or before January 31st, 2005)

Mark the persons who were involved in making any of the following decisions in the past year.

- Decision on selection and scale of production item and domestic animal species to be raised
- Decision on selection of sales destination
- Financing
- Investment into machinery and facility
- Decision to rent farmland and to be entrusted with agricultural labor
- Employment decision and management

	1)	2)	3)			4)	5)	6)													
	Relationship to the head of household	Gender Select either item	Birth year and month Enter the corresponding era name followed by the year and the month of birth.			Engaged in the decision making of agricultural management policy	Circumstances in the past year	Days engaged in farming operated by household in the past year (including management labor)													
							Mainly working	Mainly engaged in other jobs	Mainly engaged in an independent business other than farming	Mainly was a student (including training)	Mainly engaged in household care, childcare, and others	* "Farming" operated by household" includes agricultural labor that the household undertook (was entrusted with).									
												Did not engage	1 to 29 days	30 to 59 days	60 to 99 days	100 to 149 days	150 to 199 days	200 to 249 days	250 days or more		
	Enter the classification of relationship	Male Female	Era			Birth year and month	Select all applicable items	Select one item					Select one item								
			Taisho	Showa	Heisei	Year	Month														
Owner	8 8	0 0	0	0	0	8 8	8 8		0	0	0	0	0	0	0	0	0	0	0		
Household member 1	8 8	0 0	0	0	0	8 8	8 8	0	0	0	0	0	0	0	0	0	0	0	0		
Household member 2	8 8	0 0	0	0	0	8 8	8 8	0	0	0	0	0	0	0	0	0	0	0	0		
Household member 3	8 8	0 0	0	0	0	8 8	8 8	0	0	0	0	0	0	0	0	0	0	0	0

Household member 5	8 8	0 0	0	0	0	8 8	8 8	0	0	0	0	0	0	0	0	0	0	0	0		
Household member 6	8 8	0 0	0	0	0	8 8	8 8	0	0	0	0	0	0	0	0	0	0	0	0		
Household member 7	8 8	0 0	0	0	0	8 8	8 8	0	0	0	0	0	0	0	0	0	0	0	0		

Calculate one day as 8 hours for the number of days engaged in labor.
(Example) 4 hours per day → Count 2 days as one day
1 hour per day → Count 8 days as one day

For the column 7),
“Business related to agricultural production” refers to a business that is operated by yourself and either 1) uses agricultural products produced by your own farm or 2) uses cultivated lands or agricultural facilities owned or rented.
For example, farm product processing, retail, tourist farms, rental farms/hands-on farms, farm inns, farm restaurants, and overseas exports fall under this.

[illegible]

Make sure to select applicable items.

More income from farming operated by household	208	0
More income from jobs other than farming operated by household (including real estate income, but not including pension)		0

Make sure to select applicable items.

Not participating	209	0
Participating	210	0
Engaged as an operator	211	0

→ Go to 3.
Successor on the next page

For columns 5) and 8),
Only those who filled in "Mainly engaged in farming operated by household" in column (5)) entitled "Major circumstances in the past year," please fill in column (8)) "Newly succeeded to agricultural management of the parent " or " Newly started another category different from agricultural management of the parent," if applicable, in the past year.
"Newly succeeded to agricultural management of the parent" refers to those who succeeded and became responsible for the operation in the past year.
"Newly started another category different from agricultural management of the parent" refers to those who newly started agricultural management for another category different from that of the parent and became responsible for the operation of that category in the past year.

To be filled out only by group management entities (including incorporated farms and forestry households).

2. Labor force inside the group management

When filling out items for forestry management, "agriculture" in the questions should be replaced with "forestry".

- (1) Enter information regarding the owner, officials (including authorized representatives), and members for whom the number of days engaged in both **farming** and business related to agricultural production in the past year was at least 60 days.

(1) and (2) are to be filled out only by the owner and the officials/members who were engaged in **farming** (including management labor) or agricultural production related business in the past year. Those who only attend officials meetings need not fill out these items.
In addition, permanent employment and temporarily employment are not included.

Calculate one day as 8 hours for the number of days engaged in labor.
(Example) 4 hours per day → Count 2 days as one day
1 hour per day → Count 8 days as one day

	1)		2)						3)						4)						5)	
	Gender		Birth year and month						Days engaged in farming in the past year (including management labor)						Days engaged in business related to agricultural production in the past year (including management labor)						Major circumstances in the past year	
	Select either item		Enter the corresponding era name followed by the year and the month of birth.						Select one item						Select one item						Mainly engaged in farming Mainly engaged in business other than farming	
	Male	Female	Era			Birth year and month																
			Taisho	Showa	Heisei	Year	Month															
Owner	0	0	0	0	0	8	8	8	8	0	0	0	0	0	0	0	0	0	0	0	0	
1	0	0	0	0	0	8	8	8	8	0	0	0	0	0	0	0	0	0	0	0		
2	0	0	0	0	0	8	8	8	8	0	0	0	0	0	0	0	0	0	0	0		
3	0	0	0	0	0	8	8	8	8	0	0	0	0	0	0	0	0	0	0	0		
4	0	0	0	0	0	8	8	8	8	0	0	0	0	0	0	0	0	0	0	0		
5	0	0	0	0	0	8	8	8	8	0	0	0	0	0	0	0	0	0	0	0		
6	0	0	0	0	0	8	8	8	8	0	0	0	0	0	0	0	0	0	0	0		
7	0	0	0	0	0	8	8	8	8	0	0	0	0	0	0	0	0	0	0	0		

- (2) For persons other than those whose information is entered in (1), enter the actual number of persons for whom the number of days engaged in both **farming** and business related to agricultural production in the past year was less than 60.

Male (persons)				Female (persons)			
222	8	8	8	223	8	8	8

"Business related to agricultural production" refers to a business that is operated by yourself and either 1) uses agricultural products produced by your own farm or 2) uses cultivated lands or agricultural facilities owned or rented. For example, farm product processing, retail, tourist farms, rental farms/hand-on farms, farm inns, farm restaurants, and overseas exports fall under this.

When filling out items for forestry management, "agriculture" in the questions should be replaced with "forestry".

3. Successor

Have you secured a successor (including a candidate) to succeed to **agricultural** management within the next 5 years?

Make sure to select one item from the following.

Secured	Relative		231
	Human resource inside the management other than relatives		
	Human resource outside the management		
Since the management has just been started or succeeded, there is no plan to succeed to farming within the next 5 years			0
Not secured			0

When filling out items for forestry management, “agriculture” in the questions should be replaced with “forestry”.

In permanent employment and temporary employment, do not include household members of the individual management entity under 1 (2) and owner/officials of the group management entity under 2 (1)/(2).

For permanent employment, if there are 5 or more workers permanently employed, use the supplementary form to fill out all those permanently employed.

The number of days engaged in labor include management labor.

For the total number of days engaged in labor for permanently employed workers, enter the total of the numbers of days engaged in labor for all workers permanently employed, including those filled out in the supplementary form.

4. Permanent employment

Enter information regarding persons you permanently employed (workers employed with a contract period of at least 7 months) for **agricultural** management or business related to agricultural production in the past year. In addition, enter the total number of days engaged in labor by gender.

	1)		2)					
	Gender		Birth year and month					
	Select either item		Enter the corresponding era name followed by the year and the month of birth.					
			Era			Birth year and month		
	Male	Female	Taisho	Showa	Heisei	Year	Month	
1	0	0	0	0	0	8	8	
2	0	0	0	0	0	8	8	
3	0	0	0	0	0	8	8	
4	0	0	0	0	0	8	8	

5. Temporary employment

Enter the total of actual number of persons you employed temporarily such as day labor and seasonal labor (including voluntary help) and the number of days they engaged in labor by gender for **agricultural** management or business related to agricultural production in the past year.

Agriculture			Business related to agricultural production		
Actual number (persons)			Actual number (persons)		
Male	252	8 8 8	258	8 8 8	
Female	253	8 8 8	259	8 8 8	

Agriculture			Business related to agricultural production		
Total number of days engaged in labor (person days)			Total number of days engaged in labor (person days)		
Male	255	8 8 8	261	8 8 8	
Female	256	8 8 8	262	8 8 8	

Enter the actual number of workers employed for **agriculture** management in the past year or for agricultural production-related business **with a contract period of at least one month**.

Agriculture			Business related to agricultural production		
Total number of days engaged in labor (person days)			Total number of days engaged in labor (person days)		
Male	242	8 8 8	245	8 8 8	
Female	243	8 8 8	246	8 8 8	

Agriculture			Business related to agricultural production		
Actual number (persons)			Actual number (persons)		
Male	264	8 8 8	267	8 8 8	
Female	265	8 8 8	268	8 8 8	

[3] Land

Enter information regarding your land. (Enter current land category and land area and not the land category and land area on a land register. In addition, include the land in municipalities other than the place of your residence.)

Paddy field, upland field, and land under permanent crops		Paddy field			Upland field			Land under permanent crops		
		(ha)	(a)	(se)	(ha)	(a)	(se)	(ha)	(a)	(se)
		(cho)	(tan)	(se)	(cho)	(tan)	(se)	(cho)	(tan)	(se)
Under management	301	8 8 8	8 8 8		311	8 8 8	8 8 8	321	8 8 8	8 8 8
Owned	302	8 8 8	8 8 8		312	8 8 8	8 8 8	322	8 8 8	8 8 8
Rented	303	8 8 8	8 8 8		313	8 8 8	8 8 8	323	8 8 8	8 8 8
Leased	304	8 8 8	8 8 8		314	8 8 8	8 8 8	324	8 8 8	8 8 8
Of upland fields under management, land for meadow grass		326		8 8 8	8 8 8					

Enter information in “Leased” when the management is practically entrusted to the renter. The land that the current state is not a cultivated land and has already turned into an uncultivated land is excluded.

Greenhouse refers to a facility that allows labor in the normal position of the human body. Facilities only for raising rice seedlings and mushroom cultivation are not included.

Land other than cultivated land (forest and uncultivated land etc.)

Enter the area in numbers of land other than forest land and uncultivated land that you used as meadow and grazing land in the past year.

		(ha)	(a)	(se)
		(cho)	(tan)	(se)
Area of land other than cultivated land that you used	341	8 8 8	8 8 8	

Greenhouse etc.

Enter the **actual area** of greenhouse and heated greenhouse that you used for protected horticulture in the past year.

		Actual area	(a)	(m ²)
		(se)		
Greenhouse	351	8 8 8	8 8 8	
Heated greenhouse	352	8 8 8	8 8 8	

[4] Agricultural production

Do not include the land that has been planted (cultivated) from the beginning for non sales purposes or for a self supply.

1. Enter the **total area** of the land that has been planted (cultivated) for sales purposes in the past year.

Do not include undeveloped beans ("Green soybeans", "kidney beans" and "green peas") here, but include them in the "Other vegetables" category.
Enter the total number of tobacco, rush, hop, sesame seed, lavender and medical crop in "Other industrial crops" category.

			(ha)		(a)	
			(cho)	(tan)	(se)	(se)
Rice/wheat/sorghum grain and millet	Paddy rice (for food)	403				
	Upland rice (for food)	404				
	Rice (for livestock feed)	405				
	Wheat	407				
	Planted in paddy fields	408				
	Two-rowed barley	409				
	Six-rowed barley	410				
	Naked barley	411				
	Buckwheat	413				
	Other sorghum grain and millet (millet, common millet, barnyard millet etc.)	414				
Potatoes	Potato for raw material (for starch)	416				
	Table potato (for processing included)	417				
	Sweet potato for raw material (for starch)	418				
	Edible sweet potato (for processing included)	419				
Beans	Soybean	421				
	Planted in paddy fields	422				
	Adzuki bean	423				
	Other beans	424				
Industrial crops	Sugarcane	426				
	Rapeseed	427				
	Tea	428				
	Beet	429				
	Konjac root	430				
	Other industrial crops	431				

This section is to be filled out by those who have areas for rice, wheat, sorghum grain and millet, potatoes, beans, or industrial crops.

2. For the above items other than paddy rice (for food), wheat, or soybean (rice, wheat, sorghum grain and millet, potatoes, beans, and industrial crops), enter the area of the land that has been cultivated in paddy fields for sales purposes.

		(ha)		(a)	
		(cho)	(tan)	(se)	(se)
432					

Enter only the area that has been planted in paddy fields, and do not enter the area that has been planted in upland fields.

3. Enter the item code of vegetables/fruit trees and the **total area** of the land that has been planted (cultivated) in open field or in greenhouse for sales purposes in the past year.

Vegetables/fruit trees

Item code

Root crops	101: Japanese radish	Fruit trees	201: Citrus unshiu
	102: Carrot		202: Other citrus
	103: Taro		203: Apple
	104: Japanese yam (Chinese yam etc.)		204: Grapes
Leafy vegetables	111: Chinese cabbage		205: Japanese pear
	112: Cabbage		206: Pear
	113: Spinach		207: Peach
	114: Lettuce		208: Cherry
	115: Leek		209: Loquat
Fruit vegetable	121: Cucumber		210: Persimmon
	122: Eggplant		211: Chestnut
	123: Tomato		212: Japanese apricot
	124: Sweet pepper		213: Japanese plum
Fruity vegetable	131: Strawberry		214: Kiwi fruit
	132: Melon		215: Pineapple
	133: Watermelon		216: Other fruit trees
	191: Other vegetables		

Enter the total number of vegetables such as "bean sprouts", "green soybeans", "sweet corn", "burdock", "Chinese chive", "pumpkins", and "asparagus" that do not fit in any categories to the "Other vegetables" category.
The area for fruit trees includes non-bearing orchard.

Item code		Total area grown in open field				Total area grown in greenhouse

8	8	11)							
8	8	12)							

4. Enter the total area of the land that has been planted (cultivated) for flowering plants/trees and other crops in open field or in greenhouse for sales purposes in the past year.

Flowering plants and trees

Includes seedlings of flowering plants, trees, and shrubs.

This section is to be filled out by those who grow flowering plants in open field and in greenhouse.

		Total area grown in open field				Total area grown in greenhouse			
		(ha)	(a)	(cho)	(tan)	(se)	(a)	(se)	(m ²)
Flowering plants	463	8	8	8	8	8	8	8	8
Flowering trees and shrubs	465	8	8	8	8	8	8	8	8

Cut flower	467	0
Bulbous plant	468	0
Potted plant	469	0
Seedling for flower bed	470	0

Other crops

		Total area grown in open field				Total area grown in greenhouse			
		(ha)	(a)	(cho)	(tan)	(se)	(a)	(se)	(m ²)
Other crops	472	8	8	8	8	8	8	8	8
	473	8	8	8	8	8	8	8	8

Enter the total number of crops cultivated for sales purposes that did not correspond to any categories such as seedlings of paddy rice, vegetables, and fruit trees, saplings for forestation, turf grass, feed crops other than rice, and soiling crops.

Livestock

Includes livestock controlled by cooperative grazing or entrusted to outside organizations. Excluding the livestock feed management that is entrusted by companies (The case where livestock and feed are provided by the entruster and the entrustee only engages in feed)

6. Enter the number of heads of pigs currently being raised that are to be sold.

		10,000	1,000	100	10	(Heads)
Breeding sow	490	8	8	8	8	
Fattening pig	491	8	8	8	8	

5. Enter the number of heads of cattle currently being raised by purpose.

			10,000	1,000	100	10	(Heads)
For milking	Total number		475	8	8	8	
	2 years (24 months) or older		477	8	8	8	
	Younger than 2 years (24 months)		478	8	8	8	
For sales	Beef cattle such as Japanese cattle	Breeding cow	480	8	8	8	
		Fattening cattle (sold as beef cattle)	481	8	8	8	
		Calves etc. to be sold (including stud bulls)	482	8	8	8	
	Cross bred cattle between Japanese cattle and dairy cattle	Fattening cattle (sold as beef cattle)	484	8	8	8	
		Calves to be sold (sold as source cattle for fattening)	485	8	8	8	
	Dairy cattle raised as beef cattle	Fattening cattle (sold as beef cattle)	487	8	8	8	
		Calves to be sold (sold as source cattle for fattening)	488	8	8	8	

Calves that are not to be milked should be entered in "Calves to be sold (etc.) (482,485,488)" respective of the types.

7. Enter the number of hens currently being raised for the purpose of selling eggs (including chicks).

		10,000	1,000	100	10	(Birds)
Hen	492	8	8	8	8	

8. Enter the number of broiler birds sold in the past year.

		10,000	1,000	100	10	(Birds)
Broiler	493	8	8	8	8	

Other

9. Are you engaged in mushroom cultivation and other forms of agricultural management for sales purposes other than 1 to 8 of [4]? **Make sure** to select applicable items.

Not engaged		495	0
Engaged	Mushroom cultivation	496	0
	Other forms of agricultural management	497	0

Other forms of agricultural management include raising horses, sheep and goats, beekeeping and sericulture, etc.

[5] Agricultural product sales in the past year

When filling out items for forestry management, "agricultural product" in the questions should be

1. **Make sure** to select one item corresponding to the **agricultural product** sales amount (sales revenue) in the past year.

Enter sales revenue in the sales amount column (without subtracting expenses for fertilizers and pesticides, etc.).

No sales		501	0
Sold agricultural products	Less than 500,000 yen	0	0
	500,000 to less than 1 million yen	0	0
	1 million to less than 3 million yen	0	0
	3 million to less than 5 million yen	0	0
	5 million to less than 10 million yen	0	0
	10 million to less than 30 million yen	0	0
	30 million to less than 50 million yen	0	0
50 million to less than 100 million yen	0	0	
100 million yen or more	0	0	

If you selected "100 million yen or more", enter the amount in units of 10 million yen below.

100 million	10 million
502	88888888

Related to "Forest product sales in the past year"

Enter information only if you have forest product sales.

4. Enter the respective percentages of forest product sales that account for the total amount in the past year

Percentage that accounts for the total amount		Percent
Lumber	Sold as standing tree	931 8888
	Sold as material	932 8888
Sold crude wood for bed logs		933 8888
Sold specific forest product		934 8888

[The agricultural product sales amount includes the following]

- Livestock products, cultivated mushrooms, beekeeping, cocoons, and saplings for forestry cultivated in the cultivated land, etc., are included.
- Estimated amount of agricultural products shipped for farm restaurants that you operate and for the production of agricultural processed goods.
- Admission fee (entrance fee) if you operate a tourist farm (If you let visitors harvest certain amount of agricultural products with the admission fee).
- The sales amount of stored agricultural products sold in the past year.
- Estimated amount of money that you have not received after the contract of sales has been completed.

The forest product sales amount does not include the sales amount of cultivated mushrooms and saplings for forestry.

Enter information only if you have agricultural product

2. Select the categories with top 3 sales amount in the past year, and enter the respective category codes and percentages that account for the total amount in the corresponding order.

Category code

Category code	Percent
01: Paddy and upland rice	8888
02: Wheat variety	8888
03: Sorghum grain and millet, potatoes and beans	8888
04: Industrial crops	8888
05: Vegetables grown in open field	8888
06: Vegetables grown in greenhouse	8888
07: Fruit trees	8888
08: Flowering plants and trees	8888
09: Other crops	8888
10: Dairy farming	8888
11: Beef cattle	8888
12: Pig farming	8888
13: Poultry farming	8888
14: Sericulture	8888
15: Other livestock farmings	8888

If the management category consists of 4 or more categories, the total percentage may not become 10. Mushroom cultivation is included in "Other crops" and homebred chicken and beekeeping are included in "Other livestock farmings".

3. Select the sales destination with the highest sales amount after selecting all of the destinations that you sold agricultural products to in the past year.

Destination	
Agricultural cooperative	509 0
Collection and delivery organization other than agricultural cooperative	510 0
Wholesale market	511 0
Retailer	512 0
Food manufacturing and food service industry	513 0
Independently operated farmers' market	514 0
Other farmers' markets	515 0
Internet sales	516 0
Other methods (unmanned sales etc.)	517 0
Others	518 0

"Direct sales to consumers" includes agricultural products produced by your own or the sales of the processed goods that used such agricultural products to consumers. "Other farmers' market" includes jointly operated direct sales store or a direct sales store operated by others.

[6] **Agricultural labor** you were entrusted with (undertook) in the past year

When filling out items for forestry management, “**agricultural labor**” in the questions should be replaced with “**forestry labor**”.

1. **Make sure** to select one item corresponding to the income from the **agricultural labor** you were entrusted with (undertook) in the past year.

		601
No income from the entrusted labor		0
Had income from the entrusted agricultural labor	Less than 500,000 yen	0
	500,000 to less than 1 million yen	0
	1 million to less than 3 million yen	0
	3 million to less than 5 million yen	0
	5 million to less than 10 million yen	0
	10 million to less than 30 million yen	0
	30 million to less than 50 million yen	0
	50 million to less than 100 million yen	0
100 million yen or more		0

If you selected “100 million yen or more”, enter the amount in units of 10 million yen below.

602	100 million yen	10 million yen
-----	-----------------	----------------

Related to “Forestry labor you were entrusted with (undertook) in the past year”

Fill out the following only if you have income from the entrusted forestry labor.

5. Enter the respective percentages of income from the entrusted forestry labor that account for the total amount in the past year.

Percentage that accounts for the total amount	Percent
Entrusted with afforestation/tending	941
Entrusted with material production	942
Material production (standing tree purchase)	943

6. Enter the **actual area** of forestry labor that was entrusted (contracted) by others to you in the past year.

		Actual area	(ha)	(a)
		(cho)	(tan)	(se)
Forestation	951			
	952			
Weeding etc.	953			
	954			
Thinning	955			
	956			
Final cutting	957			
	958			

Does not include areas that are re-entrusted to others.

If you are entrusted with “actual management” along with agricultural labor by someone, do not include it in the income from the entrusted labor.

In such cases, enter information in the area of the leased land section of “[3] Land” on page 5.

Fill out the following only if you have income from the entrusted agricultural labor.

2. Enter the **actual area** of paddy rice crop labor you were entrusted with (undertook) in the past year.

		Actual area	(ha)	(a)
		(cho)	(tan)	(se)
Entrusted with each labor separately	Seedling raising	603		
	Plowing and puddling	604		
	Rice planting	605		
	Pest control	606		
	Rice reaping and threshing	607		
	Drying and preparation	608		
	Entrusted with all of the above paddy rice crop labor together	609		

3. Enter the **actual area** of sugarcane crop labor you were entrusted with (undertook) in the past year.

		Actual area	(ha)	(a)
		(cho)	(tan)	(se)
Entrusted with each labor separately	Plowing and soil preparation	610		
	Planting	611		
	Intertilling and ridging	612		
	Pest control	613		
	Harvesting	614		
Entrusted with all of the above sugarcane crop labor together		615		

4. Select all items other than the labor you were entrusted with (undertook) for rice crop and sugarcane crop in the past year.

Select all applicable items	Wheat crop	616	0
	Soybean crop	617	0
	Vegetable farming	618	0
	Fruit farming	619	0
	Feed crop farming	620	
	Industrial crop farming (excluding sugarcane crop)	621	0
	Other crop farmings	622	0
	Livestock farming	623	0
Dairy farming helper		624	0

[7] Characteristic efforts of agricultural management

1. Do you file blue return? **Make sure** to select one item from the following.

Not engaged	0
Engaged	0
Orderly bookkeeping	0
Simplified bookkeeping	0
Cash basis	0

2. If you answered that you file blue return, how long have you been filing blue return on a continual basis?

Make sure to select one item from the following.

1 year	2 years	3 years	4 years	5 years or more
0	0	0	0	0

“Orderly bookkeeping” refers to systematic bookkeeping methods that can derive profit and loss statements and balance sheets (generally refers to as double-entry bookkeeping (amount of special deduction for blue return: 650,000 yen)).
 “Simplified bookkeeping” refers to bookkeeping using simplified account books other than “Orderly bookkeeping” (amount of special deduction for blue return: 100,000 yen).
 “Cash basis” refers to cases where exception for income accounting on a cash basis is received (amount of special deduction for blue return: 100,000 yen).
 Corporated management entities filing blue return should fill out “Orderly bookkeeping”.

3 Are you engaged in organic farming? If you are engaged in organic farming, enter the area for each item.

Not engaged	0
Engaged	0

		(ha)	(a)
		(cho)	(tan)
Paddy rice	704	0	0
Soybean	705	0	0
Vegetable	706	0	0
Fruit	707	0	0
Others	708	0	0

Organic farming refers to farming without using chemical fertilizers, agricultural chemicals, and genetic recombination technology, and does not include cultivation with reduced chemical fertilizers/agricultural chemicals. Natural farming or farming without using chemical fertilizers, agricultural chemicals, and genetic recombination technology, fall under organic farming even if certification for JAS standards for organic vegetables has not been obtained. However, if you are planting (cultivating) only for self supply and not for sales purposes, it is not included.

4. Do you utilize data (information on finance, market conditions, production history, growing conditions, weather conditions, cultivation management etc.) for carrying out efficient and effective agricultural management?

In so doing, how do you utilize the data? **Make sure** to select one item from the following.

Collect data to be utilized	0
Collect/record data to be utilized	0
Collect/analyze data to be utilized	0
Not engaged in farming utilizing data	0

“Collect data to be utilized” refers to **collecting data on weather and market conditions, etc., using smartphones, PCs, and other devices** and utilizing it for agricultural management.

“Collect/record data to be utilized” refers to **collecting/recording (including the case of recording only) data on production history etc. using smartphones, PCs, and other devices** and utilizing it for agricultural management.

“Collect/analyze data to be utilized” refers to **collecting data on field environment and growing conditions etc. using sensors, drones, and other devices**, in addition to the data identified by “Collect data to be utilized” and “Collect/record data to be utilized”, analyzing it using

[8] Business related to agricultural production

Make sure to select one item corresponding to the total amount of sales revenue related to agricultural production in the past year and enter the percentage of each item that accounts for the total amount if you have the sales amount.

No sales	801	0
Less than 1 million yen	0	
1 million to less than 5 million yen	0	
5 million to less than 10 million yen	0	
10 million to less than 50 million yen	0	
50 million to less than 100 million yen	0	
100 million to less than 1 billion yen	0	
1 billion yen or more	0	

Percentage that accounts for the total amount	Percent
Farm product processing	802 0 0
Retail	803 0 0
Tourist farm	804 0 0
Rental farm, hands-on farm etc.	805 0 0
Farm inn	806 0 0
Farm restaurant	807 0 0
Overseas export	808 0 0
Renewable energy power generation	809 0 0
Others	810 0 0

Only to be filled out by those who are engaged in forestry management.

[9] Forest land and forestry labor

1. Enter the area of forest land.

		(ha)	(a)
		(cho)	(tan) (se)
Belonging forest land	902		
Forest land leased to others	903		
Rented forest land	904		
Owned forest land (902-903+904)	901		

"Forest land leased to others" includes your land used by others as a profit sharing forest and your forest land with the surface rights established by others.

"Rented forest land" includes the land owned by others that is used as a profit sharing forest and the forest land owned by others with the surface rights established by you.

2. Enter the area of the owned forest land in which you **entrust to others** with a series of labor tasks (including maintenance) collectively in a predetermined period.

	(ha)	(a)
	(cho)	(tan) (se)
Area of the forest land in which you entrust others with labor		
905		

It refers to the area in which the forestry management is entrusted to someone, which does not include the area of forest land with the surface rights established and forest land that labor is entrusted (contracted) to someone by each labor type.

3. Enter the area of the forest land not owned in which you are **entrusted by others** with a series of labor tasks (including maintenance) collectively in a predetermined period.

	(ha)	(a)
	(cho)	(tan) (se)
Area of the forest land in which you are entrusted with labor		
906		

It refers to the area that you are entrusted the forestry management with, which does not include the area of forest land with the surface rights established and forest land that you are entrusted (undertake) labor with by each labor type.

4. Select all applicable items regarding **forestry labor** in the owned land **in the past 5 years** (including the labor you entrusted (contracted) to others)

Select all applicable items	Forestation		907	0
	Weeding etc.		908	0
	Thinning	Thinning-to-waste	909	0
		Exploitation thinning	910	0
	Final cutting		911	0

"Weeding etc." includes pruning, vine cutting, improvement cutting, fallen tree lifting, etc.

5. Enter **the area of the actual labor** in the owned forest land **in the past year** (including the labor you entrusted (contracted) to others).

		(ha)	(a)
		(cho)	(tan) (se)
Forestation	912		
Weeding etc.	913		
Thinning	Thinning-to-waste	914	
	Exploitation thinning	915	
Final cutting	916		

Since the actual labor area is to be entered, enter 1 ha even if weeding was performed twice to 1 ha of forest land.

[10] Material production

Material production includes the lumber from thinning used as material.

1. Enter the production amount of material that you cut by yourself in the owned forest land in the past year.

		(m³)
Material production amount	922	

2. Enter the production amount of material generated from the entrusted (undertaken) labor or standing timber purchase in the past year.

		(m³)
Material production amount	923	
Standing tree purchase	924	

[11] Engagement in forest

Enter the actual number of permanent or temporary employees who were engaged in forestry labor for at least 150 days in the past year.

		Actual number of persons (Persons)
Persons engaged in labor for at least 150 days	925	

If you filled out "4. Permanent employment" and "5. Temporary employment" on page 5, check if those who fall under the above exist.

[12] Prefecture specific section

1	00000	991	
2	00000	992	
3	00000	993	
4	00000	994	
5	00000	995
