

## 1. List of Statistical Tables

### Vol. 1 (Whole Japan : Major Groups by Industry)

- Table 1. Contractual cash earnings, scheduled cash earnings and annual special cash earnings by age group
- Table 2. Scheduled cash earnings and annual special cash earnings, by age group and length of service group
- Table 3. Number of employees and dispersion coefficient of scheduled cash earnings, by age group and scheduled cash earnings group

### Vol. 2 (Whole Japan : Medium Groups by Industry)

- Table 1. Contractual cash earnings, scheduled cash earnings and annual special cash earnings by age group
- Table 2. Scheduled cash earnings and annual special cash earnings, by age group and length of service group
- Table 3. Number of employees and dispersion coefficient of scheduled cash earnings by age group

### Vol. 3 (Whole Japan : Class of Position : Occupation : New Graduates : Standard Employees : Part-Time Workers : Enterprises with 5 - 9 Employees)

- Table 1. Contractual cash earnings, scheduled cash earnings and annual special cash earnings, by class of position and age group
- Table 2. Scheduled cash earnings and annual special cash earnings, by class of position, age group and length of service group
- Table 3. Number of employees and dispersion coefficient of scheduled cash earnings, by class of position and scheduled cash earnings group
- Table 4. Contractual cash earnings, scheduled cash earnings and annual special cash earnings by occupation group
- Table 5. Contractual cash earnings, scheduled cash earnings and annual special cash earnings, by occupation, sex and age group
- Table 6. Scheduled cash earnings and annual special cash earnings, by occupation, sex, age group and occupational career group
- Table 7. Number of employees and dispersion coefficient of scheduled cash earnings, by occupation, sex and scheduled cash earnings group
- Table 8. Starting salary for new graduates
- Table 9. Number of new graduates and dispersion coefficient of starting salary by starting salary group
- Table 10. Scheduled cash earnings and annual special cash earnings of standard employees by age
- Table 11. Scheduled cash earnings and annual special cash earnings of standard employees by age group
- Table 12. Number of standard employees and dispersion coefficient of scheduled cash earnings by model age
- Table 13. Hourly scheduled cash earnings and annual special cash earnings of part-time workers by age group
- Table 14. Hourly scheduled cash earnings and annual special cash earnings of part-time workers, by age group and length of service group
- Table 15. Number of part-time workers and dispersion coefficient of hourly scheduled cash earnings by hourly scheduled cash earnings group  
(Enterprises with 5 - 9 employees)
- Table 16. Contractual cash earnings, scheduled cash earnings and annual special cash earnings by age group
- Table 17. Scheduled cash earnings and annual special cash earnings, by age group and length of service group
- Table 18. Number of employees and dispersion coefficient of scheduled cash earnings, by age group and scheduled cash earnings group

- Table 19. Hourly scheduled cash earnings and annual special cash earnings of part-time workers by age group
- Table 20. Hourly scheduled cash earnings and annual special cash earnings of part-time workers, by age group and length of service group
- Table 21. Number of part-time workers and dispersion coefficient of hourly scheduled cash earnings by hourly scheduled cash earnings

Vol. 4 (Prefectures ; Hokkaido-Okinawa)

- Table 1. Contractual cash earnings, scheduled cash earnings and annual special cash earnings by age group
- Table 2. Contractual cash earnings, scheduled cash earnings and annual special cash earnings, by occupation and sex
- Table 3. Starting salary for new graduates
- Table 4. Hourly scheduled cash earnings and annual special earnings of part-time workers (Enterprises with 5 - 9 employees)
- Table 5. Contractual cash earnings, scheduled cash earnings and annual special cash earnings by age group
- Table 6. Hourly scheduled cash earnings and annual special cash earnings of part-time workers
